Planning and Development - Second Five Year Plan - South Kanara Dt - Plans Sanctioned in G.O.MS No 235, Public (P&D) Dt- 23.1.56 - Appointment.

Ref.P1.3100/55.

S.K.Collector's Office,
Mangalore, Dated 28-4-56.

From

Sri M.C.Rajaram, I.A.S.,
Collector of South Kanara,
Mangalore.

To

The Secretary to Government,
Pub ((P & D) Dept.,
Fort St.George, Madras-9.

Sir,

PLANNING & DEVELOPMENT: Second Five Year plan - Preparation of District and village plans special staff-sanctioned - employment of - certain instructions solicited.

UNDER SECRETARY TO GOVT. 983 28 APR 1956 PUBLIC (P & D) DEPARTMENT

Ref:- 1. G.O.Ms.No.235 Public ((P & D) Dept. dated 23-1-56.

2. G.O.Ms.No.1138 Pub (P&D) Dept. dt.21.3.56.

In the G.O. cited first, sanction was accorded for the employment among others, of 4 Peons for work connected with the preparation of village and District plans. Obviously, these posts, were intended two for the Special Deputy Collector and one each for the Special Deputy Tahsildar for planning work, sanctioned in the same G.O. However in the G.O.cited second the post of the Special Deputy Collector was kept in abeyance and post a Tahsildar's post was sanctioned instead. I have, therefore, appointed three peons, one to work under the Special Tahsildar and one each under the two Special Dy. Tahsildars. The remaining post I have not filled up so far.

2/. I have created a planning section in my office, consisting of one Upper Division Clerk and one Lower Division Clerk with the Special Tahsildar acting as head of the Section. The supervision of the Section by the Special Tahsildar is in addition to his supervision and co-ordination of the work of two special Dy. Tahsildars who have been allotted 5 Hobli Firkas each and direct supervision of the work of two Special Revenue Inspectors in two Firkas. Therefore, when the Special Tahsildar is on tour, the tappals relating to the Planning Section has to be taken to his camp. Further, the office of the Project Executive Officer, South Kanara who acts as my Personal Assistant on the side of Planning is housed above

a mile away from my office; besides he is a touring officer. This necessitates the conveyance of appals daily from his camp, from and to the Planning section of my office. It is therefore quite necessary to have a fourth peon to carry appals to and from the camps of the Project Executive Officer and the Special Tahsildar and to work in the new section at other times. ~~In the circumstances I have appointed a peon in the Court's post~~ so far kept unfilled. I request that the Government may be pleased to approve my action.

3/. In the G.O. cited second, the Special Tahsildar appointed for Planning Work has been permitted to draw "usual allowances". His duty of supervision of the work of Special Dy.Tahsildars and the Special Revenue Inspectors entail the touring of the whole District. I presume that he is eligible to draw T.A. under the M.S.A. Rules. I request to be informed whether my presumption is correct.

Yours faithfully,

For Collector.
